**Radford** is one of the most beautiful localities in the neighbourhood of Plymouth. Here depicted is one of the charming and fertile valleys for which South Devon is famous, and in the springtime one can join with Thomson in singing,

"Who can paint

Amid its gay creation hues like hers,
Or can it mix them with such matchless skill?"

**Radford** is one of the most beautiful localities in the neighbourhood of Plymouth. Here deep lanes, charming as the fertile valleys over which they wind, famous, and [illegible] one can join with Thomson in singing,

"What can inspire the human race
Like Nature? What can fancy boast
Amid its gay creations hues like hers,
Or can it mix them with such matchless skill?"
